Coastal Nature Tour

May: Saturday & Sunday, 3pm
June 1 - September 30: Daily, 3pm

This tour takes you to the mouth of the Halifax Harbour, where the Atlantic Ocean meets the cliffs of Chebucto Head. Enjoy stunning views of Nova Scotia's coastline, lighthouses, sea birds, and maybe even marine life! If in season, the crew will pull a lobster trap and even let you hold a live lobster! An amazing way to learn about the history of our Harbour.

Lobsters & Lighthouses

July 1 - August 31: Daily, 11am

This tour allows you to experience life at sea by taking in the sights and sounds of the Atlantic Coastline! For generations, fishing and lobstering have been worked into the fiber of our lives on the East Coast. This tour will bring you to see two lighthouses in our harbour, where we'll share their amazing stories. We'll also provide hands-on experiences to give you an up close and personal understanding of a mariner's life.

Deep Sea Fishing

June 22 - September 30: Daily, 11am & 3pm
May & October: Saturday & Sunday, 11am

A desire for a truly authentic East Coast experience is all you'll need to get hooked on this tour! With all gear provided, including rods, bait & lures, you'll be ready to set off in search of mackerel, cod, haddock and Boston bluefish! If you'd like to keep your catch, our team will clean, fillet and pack it on ice to go for you.

Cook Your Catch

\$15 per person added to your Deep Sea Fishing Tour booking

This is by far the best way to make your Deep Sea Fishing adventure extra special! Once you return to land, head over to Murphy's Restaurant & Patio where the Executive Chef and his culinary team will prepare and cook your catch of the day - you simply can't get fresher than that! We welcome you to peruse our menu and select from an assortment of beverages, appetizers and desserts to accompany your meal. Bon appetit!
